

Linda and Bipin Doshi Department of  
Chemical and Biochemical Engineering

## Linda and Bipin Doshi Lecturer

The Doshi Department of Chemical and Biochemical Engineering at Missouri University of Science and Technology (Missouri S&T) invites applications and nominations for one non tenure-track (NTT) teaching position at the rank of Lecturer with primary responsibility for teaching the undergraduate unit operations and bioreactor laboratory course, maintaining the laboratories, and developing new experiments. Additional responsibilities will include teaching other undergraduate courses, curriculum development, advising students, and helping with ABET preparation.

Candidates should hold at least a Master's degree in Chemical Engineering or allied discipline from an accredited program. Industrial experience and demonstrated teaching excellence documented by a teaching portfolio or other supporting evidence are preferred. The successful candidate will lead in developing multidisciplinary activities that will further prepare our students for careers in industry. Professional engineering licensure, or eligibility to become licensed, is preferred.
